ITS PRIORITIES

Cybersecurity

- Streamlined Access: Migrating Services to Single Sign-On
- Enhanced Usability: Simplifying Security Measures

Next Gen ERP

- Efficiency in Action: Successful Launch of RhodyBuy (eProcurement)
- Future-Ready: Implementing a Roadmap to Migrate from PeopleSoft to Workday

Organizational Modernization

- Transforming ITS: Adopting Modern Agile Project Management and ITSM Best Practices

TEAM PRIORITIES

Administration
- Modernizing Budgets and Elevating ServiceNow for Seamless Administration

Cloud
- Modernizing Infrastructure for a Stronger, Reliable IT Foundation

Community Services
- Enhancing Education: Upgraded Classrooms and Superior Voice Services

Enterprise Applications
- Empowering the Future with Next-Gen ERP Solutions

Infrastructure
- Ensuring Resilience: Crafting a Comprehensive Business Continuity & Disaster Recovery Plan

Innovation
- Pioneering the Future: Enabling AI at URI

Networking
- Elevating Connectivity: Upgrading Residential Housing WiFi

Research Computing
- Amplifying Research: Expanding Computing Resources and Research Utilization

Security
- Simplifying Access: Implementing Single Sign-On for eCampus

Teaching & Learning
- Optimizing Education: Enhancing Brightspace Efficiency and Administration

Q2 Priorities Primarily Contribute to **FOCUS URI Priority 4**: Power the University of the Future

Strategic initiatives for priorities 1, 2, and 3

Q1 2025
