Notes:

1. Michelle reviewed with the team that Brightspace has reached its file storage limit
 - a. TLS will be reaching out to faculty in the coming months to review ways to reduce storage space.
2. ATL can begin to incorporate file compression into ID work with faculty
3. IT Teaching and Learning Services will be running an upcoming 1 day PD program called Digital Edge. The program will be entirely on Zoom and include talks about cutting edge IT topics.
4. Engage: We have begun the process to purchase the Course Merchant storefront for the Engage instance of Brightspace.
5. Esports: In collaboration with Memorial Union staff, we have secured a room in the Union. It will be managed by MU staff and built out by IT.
6. Integrity Advocate: Michelle asked for volunteers to help pilot IA in the Fall.
7. Approval of Change Management Items.
8. TA syncing: TLS is reviewing syncing of TA roles from eCampus to Brightspace. Kevin will coordinate review sessions with any interested members
